OUR STORY

Will and Becky caught a vision for international work after teaching English and sharing Jesus in China from 2013 to 2015.

From 2015-2022, they served as the Youth Pastors at the Church of the Holy Spirit, an Anglican church in Roanoke, Virginia. During that time Will attended seminary and was ordained.

For the past 2 years, they have been planting a church in Phnom Penh, Cambodia. By God's grace, many people have joined their team and the church has grown successfully.
